

Norwegian North East Arctic and North Sea Saithe Fishery

Marine Stewardship Council Certification

Certification Body: Det Norske Veritas

Advisory

Det Norske Veritas (DNV) is pleased to announce that the client, Fiskebåtredernes Forbund (Norwegian Vessel Owners Association) for the MSC Fisheries certification of Norwegian North East Arctic Saithe and North Sea Saithe fisheries has appointed DNV to undertake ongoing annual surveillance audits of these fisheries.

All Conditions of Certification specified in the Public Certification Report of June 2008, and other requirements of MSC certification will be addressed in accordance with the MSC Fishery Certification Methodology.

As the new Certification Body, DNV will be issuing new certificates, valid from the original date of certification. The period of validity remains the same as the original certificate.

The formal date of certificate transfer is to be 24th August 2009.

Information on this fishery can be found at:
