

MoodyMarine
certification for the marine environment

Pelagic Freezer-Trawler Association North Sea Herring Fishery MSC Certification

Certification Body: Moody Marine Ltd

Surveillance Audit

Following certification of this fishery, we are now continuing the process of annual surveillance audits. These audits have two principal functions:

1. To review any changes in the management of the fishery, including stock evaluation, regulations, and changes in key management or scientific staff
2. To evaluate the progress of the fishery against any Conditions of Certification raised during the Main Assessment

During the audit, or at separate meetings, we shall be speaking with representatives of the fishery and fishery management bodies. We expect to carry out most meetings over the period **12-13 February 2008 in IJmuiden, Netherlands.**

Should you have any information on this fishery that you feel should be considered in the audit, please advise us. We may be available to meet with stakeholders as appropriate. If you would like to arrange a meeting, please advise us of:

- a) your name and contact details
- b) your association with the fishery
- c) the issues you would like to discuss (in order for us to arrange appropriate representation)
- d) where and when you would like to meet

Yours

Dr Andrew Hough
Lead Assessor

14 January 2008
