Release of Public Comment Draft Report

Moody Marine Ltd is pleased to announce that the Public Comment Draft Report for the above fishery is now available for comment by stakeholders. The report is available at the MSC website at <http://www.msc.org/>.

Stakeholders are invited to comment on the factual content of the report. Any comments should be clearly related to specific scoring indicators or report sections. Any recommendations or proposed amendments should be supported with data or literature citations that the assessment team is able to evaluate.

Following the receipt of comments from stakeholders, Moody Marine will consider all available information and make a determination on whether or not the fishery should be certified. Following this determination, the final report will be made available for a further 21 days consultation period.

Comments on the Public Comment Draft Report should be sent before 13 November 2009 to:
