Alaska Salmon Fisheries

New Client and Second Annual Audit

The Alaska Fisheries Development Foundation Inc. was confirmed as the new client for the certified Alaska salmon fisheries on Thursday 18th February. In so doing the Alaska Fisheries Development Foundation Inc. have committed to meeting the obligations of the client, including being subject to annual audits of the certified fisheries and the successful completion of the remaining conditions of certification.

The AFDF have appointed Moody Marine Ltd to undertake the second annual audit (30th October 2008 – 30th October 2009). Work has commenced on the audit and it is expected to be completed before the end of June 2010. Moody Marine will post a further notification as soon as the dates of the site visit – likely to be in Anchorage - will take place.

This variation to the certification has the agreement of the MSC.
