certification for the marine environment

## **Advisory**

### **ALASKAN SALMON FISHERY**

#### **MSC Certification**

**Certification Body: Moody Marine Ltd**

#### **Moody Marine Appointed as Certification Body to Undertake 2008 Surveillance Audit**

The client for the above fishery certification, the State of Alaska Department of Fish and Game, has recently appointed Moody Marine as the Certification Body to undertake the 2008 annual surveillance assessment of this fishery.

The conditions of certification specified in the Certification Report, and other requirements of MSC certification, will be undertaken in accordance with the MSC Fishery Certification Methodology.

As Moody Marine is the new Certification Body for this fishery we have issued the State of Alaska Department of Fish and Game with a new certificate which is valid from the original date of certification.

Moody Marine has extensive experience of fishery certification, having now certified twelve fisheries and with a further ten undergoing main assessment.
