

**At-Sea Processors Association  
Bering Sea and Aleutian Islands Pollock Fishery**

**Marine Stewardship Council Certification**

**Certification Body: Moody Marine Ltd**

**Release of Public Comment Draft Report**

Moody Marine Ltd is pleased to announce that the public comment draft report for the above fishery is now available for comment by stakeholders. The report is available at the MSC website at <http://www.msc.org/>

Stakeholders are invited to comment at this stage on the factual content of the reports, either in relation to specific scoring indicators or sections in the body of the reports. Comments should be clearly related to specific scoring indicators or report sections and any recommendations or proposed amendments should be supported with data or literature citations that the assessment team is able to evaluate.

Following receipt of comments by stakeholders, Moody Marine will consider all available information and make a determination on whether the fisheries should be certified. Following this determination, the final reports will be made available for a further 21 days consultation period.

Comments on the reports should be forwarded, before 12<sup>th</sup> February 2010, to Paul Knapman at:
