

**At-Sea Processors Association
Bering Sea and Aleutian Islands Pollock Fishery
Marine Stewardship Council Certification**

Certification Body: Moody Marine Ltd

ADVISORY

A Final Determination Report and stakeholder notification was posted on the MSC website on 22nd July 2010 - <http://www.msc.org/track-a-fishery/certified/pacific/bsai-pollock/Reassessment-downloads>

However, direct notification to the identified stakeholder group for this fishery was not successfully transmitted. As a result we are re-notifying stakeholders of the publication of the Final Determination Report and providing a further 15 working day period during which any party that disagrees with this determination may send a written statement of intent to lodge an objection. A description of the grounds for objection can be found in the MSC Objections Procedure, on the MSC's website:

www.msc.org/get-certified/fisheries/assessment/objections

Any intent to file an Objection should first be addressed to Paul Knapman at Moody Marine Ltd, and copied to the MSC's Chief Executive (objections@msc.org), by **1700GMT on the 24th September 2010**.
