Notification of Public Comment Draft Report

Moody Marine Ltd is pleased to announce that the public comment draft report for the above fishery is now available for comment by stakeholders. The report is available at the MSC website at <http://www.msc.org/>

Stakeholders are invited to comment at this stage on the factual content of the report, either in relation to specific scoring indicators or sections in the body of the reports. Comments should be clearly related to specific scoring indicators or report sections and any recommendations or proposed amendments should be supported with data or literature citations that the assessment team is able to evaluate.

Following receipt of comments by stakeholders, Moody Marine will consider all available information and make a determination on whether the fishery should be certified. Following this determination, the final report will be made available for a further 15 working days consultation period.

Comments on the reports should be forwarded, before 1700 GMT on the 9th July 2010, to Paul Knapman at:
