Deepwater Group Ltd New Zealand Hoki Fishery

MSC Certification Certification Body: Moody Marine Ltd

Moody Marine appointed as Certification Body to undertake future Surveillance Audits

The client for the above fishery certification, Deepwater Group Ltd, has recently appointed Moody Marine as the Certification Body to undertake ongoing annual surveillance audits of this fishery.

All Conditions of Certification (CAR) specified in the Public Certification Report, and other requirements of MSC certification will be addressed in accordance with the MSC Fishery Certification Methodology.

As Moody Marine is the new Certification Body, we have issued Deepwater Group Ltd with a new certificate, valid from the original date of certification.

The formal date of certificate transfer is to be 12 September 2008.
