

## OREGON PINK SHRIMP

### MSC Certification Certification Body: Intertek Moody Marine

#### Fourth Surveillance Audit

Following certification of this fishery, we are now continuing the process of annual surveillance audits of the fishery, with the fourth surveillance audit being conducted by Amanda Park, Don Parsons, Susan Hanna and Mark Pedersen.

These audits have two principal functions:

1. To review any changes in the management of the fishery, including regulations, key management or scientific staff, or stock evaluation
2. To evaluate the progress of the fishery against any Conditions of Certification raised during the Main Assessment

The fourth surveillance audit, focused on the management and operation of the 2011 fishery, will be conducted in conjunction with the recertification site visit for this fishery. The site visit is to take place in Newport, Oregon from **January 16-20, 2012**.

Should you have any information on this fishery that you feel should be considered during the fourth surveillance audit, please advise of:

- a) your name and contact details
- b) your association with the fishery
- c) the issues you would like to discuss (in order for us to arrange appropriate representation)
- d) when would like to meet, all verbal discussions will be conducted via conference call

Written submissions will be accepted until **5pm GMT, January 13<sup>th</sup>, 2012**. Should you wish to arrange a discussion with the assessment team, please notify us by **January 11<sup>th</sup>, 2012** to arrange a date and time.

Best Regards,

Amanda Park  
Lead Assessor
