

GSGSSI South Georgia Patagonian Toothfish Longline Fishery MSC Certification

Certification Body: Moody Marine Ltd

Release of Draft Report for Stakeholder Comment

The draft report on the MSC certification assessment of the above fishery is now available for comment by stakeholders. The report is available at the MSC website www.msc.org.

Stakeholders are invited to comment at this stage on the factual content of the report, either in relation to specific scoring indicators or sections in the body of the report. Comments should be clearly related to specific scoring indicators or report sections and any recommendations or criticisms should be supported with data or literature citations that the assessment team is able to evaluate.

Following receipt of comments by stakeholders, Moody Marine will consider all available information and make a determination on whether the fishery should be certified. Following this determination, the final report will be made available for a further 15 working day consultation period.

Comments on the report should be forwarded, **before 17:00 GMT, 18th July 2009**, to Jason Combes at Moody Marine Ltd as follows:
