Certification for a sustainable world™

**AUSTRALIA MACKEREL ICEFISH
MSC 2010 4TH ANNUAL SURVEILLANCE**

Scientific Certification Systems, Inc., Emeryville, California, USA will be conducting the 2010 annual surveillance audit of the HIMI Mackerel Icefish fishery for continued compliance with the Marine Stewardship Council requirements. The surveillance audit meetings are scheduled to be held in Hobart (Tasmania) on 24 May 2010.

Any parties (individuals or organizations) interested in providing input to the annual surveillance process, contact SCS and provide:

- a) your name and contact details;
- b) your association with the fishery; and
- c) the issues you would like to discuss (in order for us to arrange appropriate representation).

SCS will contact you to discuss how best to proceed to include your input in the annual surveillance process.
