Australian Mackerel Icefish Fishery

Public Certification Report

SCS is pleased to announce the release of the Public Certification Report for the Australian Mackerel Icefish Fishery.

No notice of objection was received during the 15 working day time period required for comment on the Final Report. The final consultation period is therefore completed and this fishery is able to use the MSC's logo on its products.

The Public Certification Report is available at the MSC website at [here](#)

We would like to express our thanks to all individuals and organizations that participated throughout this assessment process.

Dr. Sabine Daume, Program Manager
