

Australian Mackerel Icefish Fishery

30 March 2011

SCS is pleased to announce the release of the Public Comment Draft Report for the Australian Mackerel Icefish Fishery. The MSC requires this report is posted for a minimum of 30 days to allow any interested parties to comment. Any stakeholders wishing to provide input may do so by contacting SCS by 1700 GMT, 9 May 2011. Input can be provided by email, phone, or mail.

As a reminder, information is most useful to the assessment team when it is specific and includes constructive suggestions for improving existing situations. Also, supporting documentary evidence for any issues of concern will be greatly appreciated by the assessment team.

The Public Comment Draft Report can be found on the MSC website [here](#).

All inquiries concerning stakeholder input into the assessment process should be directed to Scientific Certification Systems, Inc. as follows:
