

Bristol Channel Bass Trawl Fishery

Marine Stewardship Council Certification
Certification Body: Moody Marine Ltd

Release of Draft Report for Stakeholder Comment

The draft report on the MSC certification assessment of the above fishery is now available for comment by stakeholders. The report is available at the MSC website, www.msc.org.

Stakeholders are invited to comment at this stage on the factual content of the reports, either in relation to specific scoring indicators or sections in the body of the report. Comments should be clearly related to specific scoring indicators or report sections and any recommendations or criticisms should be supported with data or literature citations that the assessment team is able to evaluate.

Following receipt of comments by stakeholders, Moody Marine will consider all available information and make a determination on the outcome of this fishery assessment. Following this determination, the final report will be made available for a further 15 days consultation.

Comments on the Public Comment Draft Report should be forwarded, before **1700 GMT on 21st March 2011**, to Dr Jim Andrews as follows:
