Notification – Site visit

This fishery is entering the 'information gathering' stage of the assessment against the MSC Principles and Criteria for Sustainable Fishing.

A key purpose of this stage is to collect information on the fishery and in particular to speak to representatives of the fishery, fishery management and environmental management bodies. Should you have any information on this fishery that you feel should be considered in the assessment, please advise us.

The fisheries evaluation team will be making visits to Den Oever, the Netherlands during week commencing **Monday 4th May 2009**. If you would like to talk to the assessors, please advise us of your interest by 17.00 GMT Wednesday 15th April 2009, giving the following details:

- a) your name and contact details
- b) your association with the fishery
- c) the issues you would like to discuss (in order for us to arrange appropriate representation)

Comments should be sent to:
