**Notification of change to Timeline for the SARPC toothfish fishery**

MacAlister Elliott and Partners Ltd. (MEP) is undertaking the full MSC certification assessment process for the following fishery:

Fishery for toothfish (*Dissostichus eleginoides*) in the TAAF EEZ (around the Kerguelen and Crozet islands) conducted by members of SARPC.

The revised timeline previously submitted by MEP indicated that the scoring of this fishery would take place from January 2011 onwards. However, due to ongoing stock assessment modelling and the limited availability of the assessment team, the scoring meeting will now take place on the 6<sup>th</sup> and 7<sup>th</sup> April 2011.

A revised timeline has hereby been submitted.
