   The Stakeholder Advisory Council was created by the MSC’s Board of Trustees to provide the MSC Board with advice, views, guidance and recommendations from a variety of informed perspectives about the operations of the MSC in pursuit of its mission. The group’s members reflect diverse experiences, geographies and interests in relation to the work of the MSC. The co-chairs jointly lead the Stakeholder Advisory Council and each also serves ex-officio as a member of the MSC Board of Trustees.

2. **Functions and Duties**

   2.1 Providing advice to the Board of Trustees on any strategic or operational issues requested by the Board, in a timeframe and manner indicated by the Board.

   2.2 Providing a formal body for consultation related to the development or clarification of Standards policy, where the Technical Advisory Board (TAB) has agreed or required a stakeholder consultation loop. During the Standard setting process, the Advisory Council will be mandatorily consulted.

   2.3 Proposing other stakeholder items for consideration by the Board based on emerging issues raised within the broader stakeholder constituency or within member networks; facilitating communication and sharing information intersessionally and in relation to meetings, as appropriate, with relevant constituencies and geographies.

3. **Membership**

   3.1 Nominations for Advisory Council membership may be submitted to the MSC Governance Committee from Advisory Council members, the MSC Board of Trustees, MSC Technical Advisory Board, the MSC Executive or from other stakeholders outside the MSC. For the latter, nominations must be sponsored by an individual within the MSC Executive or its governance structure.
3.2 Following scrutiny and recommendations from the Governance Committee, the MSC Board of Trustees shall formally review nominations and select its preferred members. It shall then consult the Advisory Council in respect of such proposed members, and taking account of the advice of the Advisory Council, thereafter formally confirm admission of such members to the Advisory Council.

Within the reserved membership, the group will endeavour to ensure adequate representation from within Developing World and Small-Scale Fisheries interests. The remaining three seats on the group shall be undesignated, and used in the light of wider considerations to ensure a balanced membership with respect to the MSC’s strategic objectives, but may be expected to represent other interest groups as agreed by the Board from time to time, including but not limited to scientific, consumer, marketing, and auditing interests.

3.4 The members of Advisory Council shall not be entitled to appoint delegates to attend meetings, or otherwise carry out their functions as members of the Advisory Council in their stead.
