

Controlled List of MSC Derogations v2.0

A derogation is a temporary normative measure that allows for an MSC requirement to be applied differently, or not at all. Derogations apply to the version of the document that is specified, and any earlier versions still in use. As of March 2020, derogations are published on the [MSC Interpretations Log](#).

Fisheries and Chain of Custody programs

Derogation title and link	Version	Date effective	Date expires	Affected document(s) and requirement(s)
