

EEZ & LAW OF THE SEA

KŌRERORERO / DISCUSSION

- All countries with coastal boundaries manage fisheries within their EEZ (Exclusive Economic Zone)

Source: marineregions.org

MAHI / ACTIVITY

- Open this [interactive map](#)
- Look at all the EEZs - how does our EEZ compare to other countries? Can you see any countries that have no EEZs? Or countries with very large EEZs?
- Zoom in to your home area. Can you find the part of the ocean closest to where you live?
